

Flex is the manufacturing partner of choice that helps a diverse customer base design and build products that improve the world. Through the collective strength of a global workforce across 30 countries and responsible, sustainable operations, Flex delivers technology innovation, supply chain, and manufacturing solutions to various industries and end markets.

At our location in **Althofen** (Carinthia), half an hour from Lake Wörthersee, we are expanding our team.

Evergreen job posting

General Purpose:

Flex stands for innovation and technology. Team spirit, cooperation and a family-like atmosphere are an integral part of our corporate culture. If you recognize yourself in this, you are exactly right with us.

Here is a glimpse of the types of careers we offer:

- Motivated apprentices
- Production workers in shift operation
- Smart production technicians
- Creative minds in the areas of IT/IS, engineering, technology or development
- Team players for quality, logistics or purchasing
- Innovative trainees or interns (BHS, University or university of applied science)

We are looking for individuals who demonstrate:

- We support each other as we strive to find a better way
- We move fast with discipline and purpose
- We do the right thing always

Here are a few examples of what you'll get for the great work you provide:

- As one of the best employers in Austria we offer you a secure job
- In the company restaurant and canteen, you will be spoiled daily with healthy and culinary delights
- From you first day onwards you will receive training and support from your buddy
- Flexible working time (home office), our own Flex sports club and company events promote your work-life balance
- Our job rotation program gives you the opportunity to develop personally and professionally

We are looking forward to your application!
